Denison University | Granville, OH — May 2027
Bachelor of Arts, Global Commerce and Data Analytics — *3.58*

Software Proficiency

- Asana, ChatGPT, Claude, Excel, Gemini, PowerPoint, Python, R, Slack, SQL(SSMS), Tableau, QLIK

RELEVANT EXPERIENCE

ODW Logistics | Columbus, OH — June 2026-August 2026
Business Intelligence Intern

- Standardized the company-wide data reporting process by consolidating data across five heterogeneous WMS platforms and creating three dashboards to record and visualize operations
- Streamlined the task onboarding process by designing a detailed follow-up survey to the initial request form and restructuring the existing workflow to ensure all teams receive the info they need

Data Analytics 301 Practicum | Granville, OH
Data Consultant | **Benefactor Group** — Jan 2026-May 2026

- Collaborated with a team of four to build two predictive regression models in R(OLS&Mixed Effects) to forecast nonprofit fundraising outcomes across 34 organizations, achieving a median MAPE of 24%
- Consolidated and tidied 1.3M+ rows of donor transaction data from 34 separate nonprofit client Excel sheets into one unified CSV dataset for modeling
- Delivered findings through a final report, model user guide, and executive presentation with actionable recommendations for a non-technical client audience

Red Frame Lab Consulting | Granville, OH — Sep 2023-Present
Project Manager | **Junior Achievement of Central Ohio(JACO)** — Jan 2026-May 2026

- Directed a seven-member team to coordinate the logistics of creating a mobile learning unit
- Developed an interactive HTML file visualizing youth demographics and community need indicators across all counties in JACO's service area to support geographic expansion planning
- Provided a partner friction analysis for all schools based on 6 weighted metrics for outreach guidance

Project Manager | **The Village of Hebron** — Sep 2025-Nov 2025

- Worked with a six-member team to assess the adequacy of staff compensation
- Analyzed cash compensation and benefits using benchmarks from 300+ villages and cities
- Conducted a staff survey about compensation satisfaction and delivered findings to village leadership
- Provided 2030 salary projections incorporating village growth and cost-of-living adjustments

Sound Genetics Inc | San Francisco, CA
Summer Intern — Jun 2025-Aug 2025

- Collaborated with a team of three to explore markets and develop viable use cases for products
- Developed effective ways to reach target audiences and align brand image with their needs
- Extensive testing of products to identify bugs and ways to improve the interface and functionality

LEADERSHIP AND CAMPUS INVOLVEMENT

Men's Varsity Swimming Team | Granville, Ohio
Swimmer — Sep 2023-Present

- NCAA swimmer specializing in Backstroke, Freestyle, and Individual Medley; dedicated 20+ hours/week to training with a nationally top-5 ranked team
- Contributed to a culture of grit, culminating in the 2025 and 2026 National Championship titles

Phi Kappa Psi Fraternity | Granville, Ohio — May 2025-May 2026
Treasurer

- Managed a $30,000 account through budgeting and ensuring all members' dues were accounted for
- Emphasized distributing funds towards philanthropy events, fundraisers for fraternity sponsors
